

Happy 40<sup>th</sup> Anniversary! This year marks the club's 40<sup>th</sup> year of existence and I can't wait to celebrate. I am so proud to be a member of such an outstanding group of women and terrific organization. Since the club has done so much for so many of us over the years (meeting new friends, playing in some amazing tournaments, and developing our golf game to name a few), let's take this year to give back and leave our lasting legacy.

This 40<sup>th</sup> year celebration allows our club the chance to honor the original charter members and to "pay it forward" to the next generation. As you begin to focus on your golf season, I challenge each of you to think about how you will help our club to leave its lasting legacy. Will you organize and/or play in a charity tournament? Will you play with a new member and show her the great things our club has to offer? Will you volunteer to serve on an SFWGC committee? Will you mentor a young golfer? There are so many ways that we can give back and each contribution is meaningful. It doesn't matter how big or how small, what matters is the effort to make a difference.

Throughout the season, the SFWGC will be organizing, promoting and running different events that will allow us "pay it forward" to the golf community. I encourage all of us to get involved and donate our time and energy to such meaningful events (suggestions are more than welcome). This year we pay tribute to the past and benefit the future with the Year of the Lasting Legacy.

I'm hoping that over the next couple of weeks this snow will melt and we will be able to find the first tee box. So please join us to kick-off the 40<sup>th</sup> season at the opening meeting on Tuesday, April 12<sup>th</sup> at 10:00am in The Dressing Room Theater at Sterling Farms.
